

FREE VIRTUAL Excavation Hazards

Start Date: 2/26/2021 7:30 AM

End Date: 2/26/2021 11:30 AM

[Click here for additional date options](#)

NOTE: This is a distance education, Virtual Classroom conducted live online via teleconference. Technical requirements will be communicated prior to class date. You Must Register in Advance.

Registration typically cuts off 48 hours prior to class date.

Construction Safety Council is located in the Central Standard Time Zone. All class times listed are CST. Be sure to note this time difference if you are located in another time zone.

Excavation Hazard Awareness is a FREE, grant-funded course designed to educate workers about the hazards associated with trenching and excavation work. Participants will be able to identify potential hazards and what steps can be taken to avoid unsafe conditions when working in and near an excavation site.

By the end of this course, participants will be able to:

Identify common excavation hazards
